NEXT CHAPTER,
AN INVASION FROM THE PRINCE OF HELL!

AS SEEN IN THE FIRST CHAPTER ...
SAKURATETSU TAIWAHEN.
SUMMARY OF THE PREVIOUS CHAPTER
THE STORY'S MAIN CHARACTER, SAKURA TETSU, IS A MONEY DESPERATE AVERAGE HIGH SCHOOL STUDENT...
ONE DAY, THE FUTURE PEOPLE INVADED HIS LAND, CHANGING HIS NORMAL DAY LIFE DRASTICALLY
THE LEADER OF THE FUTURE PEOPLE CLAIMED THAT THE LAND BELONGS TO THEM IN THE DISTANT FUTURE
THEN COMES THE SPACE PIRATE PRESENT, AND THE UNDERGROUND WORLD RULER JIKMANT, CLAIMING THAT THE LAND IS THEIRS TOO!
NEGOTIATIONS FAILED, CAUSING A FULL SCALE WAR BETWEEN THE 4 OF THEM.
THE RESULTS OF THE WAR WERE VERY COSTLY
ALL OF THEM WERE DAMAGED AND THERE WERE SACRIFICES ...AND EVENTUALLY THEY CRASHED ONTO THE LAND THEY WERE FIGHTING FOR.

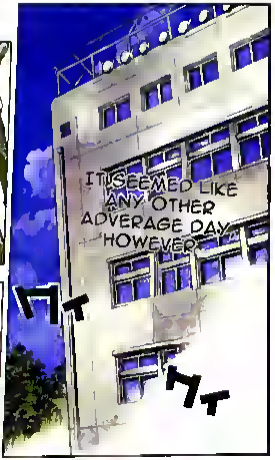
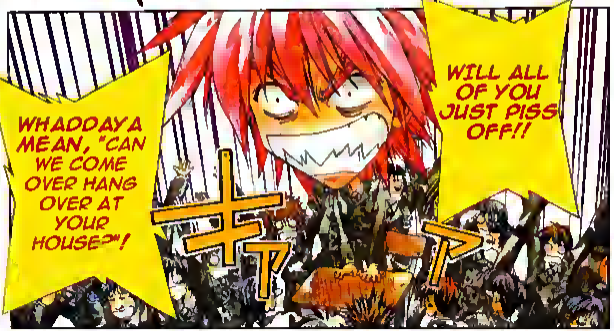
A FRIENDLY NOTE:

THE JAPANESE HAVE A LOT OF IDIOMS AND SAYINGS THAT HAVE TO DO WITH PARTS OF THE HUMAN BODY. THE ONE REFERRED TO IN THIS CHAPTER IS THE SIZE OF TETSU'S ASSHOLE. THERE IS A PHRASE IN JAPANESE, *"SHIRI NO ANA NO CHIISAI"* *(TRANSLATES INTO 'TINY ASSHOLE-BOY')* WHICH MEANS "NARROW-MINDED". THAT IS WHAT FURATO IS REFERRING TO WHEN SHE CALLS TETSU "TINY ASSHOLE BOY". NOW ***OBVIOUSLY***, TETSU BEING HIS USUAL SELF, DOESN'T WANT TO BE CONSIDERED 'SMALL-MINDED', THUS HE DECLARES HIS ASSHOLE TO BE 'GIGANTIC!!'



IT SEEMED LIKE ANY OTHER ADVERAGE DAY. HOWEVER...

IS TETSU REALLY THAT POPULAR?
OF COURSE NOT I MEAN LOOK AT THE SUSPICIOUS FACES THAT THOSE GUYS ARE MAKING THERE'S OBVIOUSLY MORE TO WHAT THIS THEN IT APPEARS



WHADDAYA MEAN, "CAN WE COME OVER HANG OVER AT YOUR HOUSE?"!

"DIS IS WAT EVEYONE SAYS AT FERST, BIG SISSY."

Translations notes: If you are confused to see french in some dialoges, it is because the original was already in english, therefore, I would like to add the effect of language barriers by putting a little of different yet familiar language. Here, I chose french as it is my country's second language.

Nataku Explains it all....

Tatami Room Child: This is an old Japanese legend that says that a Tatami room child dwells in the living room of a house and brings good luck to those who live there. Every house is suppose to have one, yours, mine, the crazy guy down the street, everyone. But in the Sak world, Tepper took on corporeal form and interacts with the family. Everyone knows who he is apparently, except Tetsu.

Kusan: She once again, is a spirit that has taken corporeal form, she is the spirit that takes care of the land that the house resides on. Since the house was built on the land she's in charge of, so she just decided to go and live with the family. Once again everyone but Tetsu knows this.

Grandpa Boke: So as it was explained, his whole family was killed in the war (just to clarify, it was during WWIIIII) and he alone remains. His actual family name is 'Saku' and his first name is 'Rabohe.' For some bizaar unknown reason, there was a name combination and recreation and thus 'Sakura Boke' was formed. Tetsu is rather clueless to this fact.

Tetsu: His whole situation is still shrouded in mystery, but he was either adopted, or a walk in from the street. He just one day joined Granpa Boke's family.

Thus the Sakura family was created and forever after became weirder.

Furato's Book: It's her diary on everything that is Tetsu, can we say stalker?
